Can you support us?

We rely on you as parents/ carers in a number of ways to support your children and the wider school careers program. As parents from various industries any support you can offer to help support our CIAG program would be an effective way to allow students the opportunity to meet and speak to people in various careers.

We are looking for support in the following ways:

- To provide work experience opportunities for year 10 (you must have public liability insurance)
- To allow our students to visit your workplace
- To come in and speak to our students in a question/ answer session

If you are able to provide any support, please contact the schools' careers lead.
