

Information for students

Careers information and Guidance (CIAG) is available everyday to support you in making choices about future careers and industry opportunities.

Nothing is beyond your reach. The careers team will help you to:

- Discover your likes and interests
- Access work placements
- Meet employers and employees from a range of industries
- Write CV's/ letters of application
- Prepare for interviews
- Help you meet potential

We want to give you as many opportunities as possible, therefore we provide a wide program of events throughout your time at Old Buckenham High School.

Such opportunities include:

- Opportunities to speak to external employers and ask questions
- Information about apprenticeships including a workshop to help you apply (year 11)
- Post 16 options as well as various opportunities to speak with different providers.
- School trip to the Norfolk showground for a careers fair
- Year 10 work experience
- Access to a careers advisor
- A rigorous careers curriculum which is taught during Personal development sessions and drop down lessons.
- Access to employers and post 16 options in our in school careers fair in the summer term.
