# National Space Centre Trip

16<sup>th</sup> March 2026

Year 9

Our year 9 students will be considering their options for KS4 soon. One of their option choices will be triple science.

Triple science students will achieve three GCSEs, one in biology, physics and chemistry. There is additional content covered in triple science, one of the topics is Space!

We have 64 places available for year 9 students to get a taste of space and have a day out in the National Space Centre including time to look around the museum and interactive activities and watch one of the largest planetarium shows in the UK!

For more details, please see the letter sent to parents and carers.

# National Space Centre Trip FAQs!

## 16<sup>th</sup> March Year 9

### Do I need to wear school uniform?

Yes! Full school uniform including blazer should be worn

### What should I bring with me?

Drinks and a packed lunch (if you get free school meals a packed lunch will be provided)

### What time should I get to school? And where are we meeting in the morning?

Please arrive at school for 7:45am for an 8:00am departure. We will meet outside reception.

### What time are we returning to school?

We estimate to be back at school for 17:30pm on the 16<sup>th</sup> of March. The bus will pull into the school car park.

### Can I buy lunch at the space centre/ bring money with me?

No, please bring packed lunch as the area we will be eating in does not have a cafeteria. You may bring up to £10 to spend in the gift shop.

### Can I bring my mobile phone?

Yes, students can bring their mobile phones, however it will be the pupil's responsibility to keep them safe, and they do so at their own risk. The usual school policy of no mobile phone usage applies on this trip; phones should not be used during the coach journey or at the museum. The use of mobile phones is to inform parents and carers of our estimated arrival time on our journey back to OBHS.

### Do I need to bring a bag?

Yes! To put your drinks and lunch in, please bring a bag.
