

OLD BUCKENHAM  
HIGH SCHOOL

Achieving excellence together

11<sup>th</sup> January 2018

Dear Parents & Carers,

### **Academy Conversion**

I am very pleased to announce that our school has made an application to join Sapientia Education Trust, which is led by Wymondham College. It is my view and that of the Governors that a conversion to an Academy and to join with a local, well respected and successful school is in the school's best interest, both in the short and long term.

The next part of the process is a consultation exercise with parents, staff and other stakeholders. Myself and Mr Taylor, Principal of Wymondham College, have arranged a parents evening for Monday 22<sup>nd</sup> January at 6pm to be held in the school assembly hall, where you can hear in more detail the benefits we think the Trust will bring and have an opportunity for you to give your views.

Yours sincerely,

Mr A Fell  
Headteacher
