

## Annual Activity Survey for Old Buckenham High School

Welcome to Children’s Services 2019 annual activity survey. It provides information about the destinations of young people reaching the statutory school leaving age in the summer of 2019. The destination is captured on the 1st of November, or as close to as possible.

With over 8000 young people to follow up each year it takes the dedication of a number of key people to make the survey possible. I would like to thank staff at schools, colleges and sixth forms along with Norfolk County Council’s Guidance Advisers, Young Persons Advisers and staff from the Participation Strategy & Transition Team.
