THE ROLE

We are seeking to appoint 2 inspiring and energetic individuals for the role of Cover Supervisor. As a Cover Supervisor you will supervise whole classes to cover absences of teachers and to allow teachers to carry out professional duties and training. Cover Supervisors will give instructions for the lesson, as provided by the teacher, and keep students on tasks while maintaining good order. Cover Supervisors will respond to general questions and provide general feedback to the teacher.

We feel passionately about promoting reading within our school as we recognise its importance in students achieving across the curriculum, in addition to being an excellent form of escapism. Anyone with a passion for reading themselves, an interest in teenage fiction and the school library would be perfect for the post. If you are interested in the post, but have other passions, we are always keen to explore how we can broaden our students' experiences. If you want to work in a rewarding post where you are challenged and every day is different, then we want to hear from you.
