

Art homework task sheet – Spring Home Work

Keith Haring

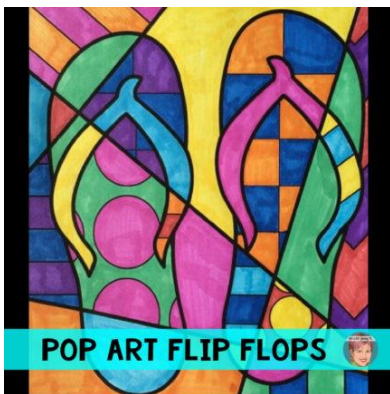

Roy Lichtenstein

Andy Warhol

Task 1: Copy **one** of these well-known pop art prints. Use a media of choice from colour pencils, acrylic paint, collage, oil pastels etc.

Task 2: Select one of the artists to complete an artist analysis of the artist, thinking carefully about presentation of your work. Find out some basic information about the artist such as full name, date of birth, date of death, a little about their life. When did they create the artwork? How long did it take to make and how many were made?

Task 3: Select an everyday object and draw the outline. Divide the image into sections and give each section a pattern and finish with bright colour. See above.

Use the following questions to write a paragraph analysing the print:

Explain about what you notice first when you look at this print. What is the message? What did the artist want to communicate about society or life? Why do you think this?

Task 4: Select an everyday object, animal or landscape and draw the outline.

Divide the item into sections and fill with a Zentangle patterns of your choice.

Use a fine liner, biro or felts to finish the work off.
