

Art homework task sheet – year 8

Task 1: Using *horizon lines* and *vanishing points*, draw at least three shapes using both one-point perspective and two-point perspective.

Task 2: Create your own image in perspective using the image as a guide. Remember to draw a faint *horizon line*, *orthogonal lines* and a *vanishing point* to ensure accuracy.

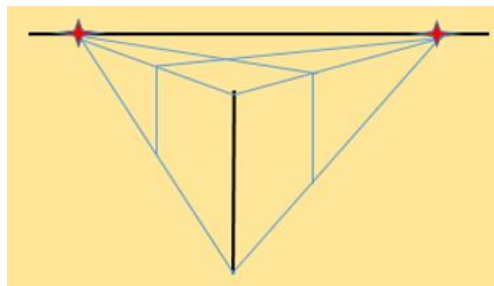

You may include buildings, trees, smaller plants, and a road/railway track/canal.

Task 3: Using perspective rules, draw a view from a window. Add colour to enhance your image.

Task 4: Using the diagrams opposite, use two-point perspective to design your own building.
