

Curriculum core purpose. Intent	Year: 7 Citizenship	
<p>How does this curriculum fit into the OBHS Curriculum Specification? <i>It highlights the British Values held within the school and the wider community and explores the rights of students but also respecting the rights of others.</i></p> <p>How is this linked to prior learning? How do units/ topics/ chunks fit together to form the curriculum narrative and prepare students for the next phase of their learning. <i>Students from KS2 will have covered rights and responsibilities, respecting others and resolving/conflict and mediation.</i></p> <p>How does this curriculum respond to local and national agendas (e.g. SMSC and BV). <i>It follows the Norfolk Agreed Syllabus and incorporates one of the main aims of looking at British Values through application and analysis.</i></p>		
Content-Knowledge and Skills.	Subject specific pedagogy	Resources and support
<p>Succinctly summarise the subject content and skills which students will study. <i>Democracy and Liberties and Freedoms in the UK. These units will include a brief history of parliamentary democracy, the role of the monarchy, the parliamentary system and how to become an MP and how to vote. British Values are referred to through both units.</i></p>	<p>Describe the subject-specific pedagogical approaches which are used. <i>Tasks are designed to encourage students to think about their rights and the rights of others, about cultural identity and how the democracy system gives them a voice and a say in how the country is run. Students are required to demonstrate knowledge and understanding, application and analysis.</i></p>	<p>How is the curriculum resourced to make sure it is personalised to the needs of learners? <i>Smart questioning is implemented by teaching staff using Blooms Taxonomy to encourage higher order thinking skills. Differentiated worksheets, information sheets and images are used to support and encourage learning.</i></p>
Feedback, assessment and progress.		Habits
<p>How are students assessed? How does this demonstrate progress? <i>Assessments are formative and are both inclusive of subject specific knowledge and skills e.g. describe, explain, discuss, evaluate, create.</i></p> <p>How do children receive feedback on their learning? <i>Verbal feedback during circulation and whole class discussions. Written feedback and NS on formative assessments, Success criteria and peer/ self marking.</i></p> <p>How is feedback used to inform planning/ SoL? <i>In-class AFL used to adapt duration focus and discussion based tasks. Scaffolding, 3 levels of challenge with personal choice, stretch and challenge in addition to the core. Differentiated task sheets for HAPs and LAPs.</i></p>		<p>Here you might consider the minimum skills you would want students to have developed through the learning tasks and pedagogy in your subject lessons over the course of this year.</p> <p><i>Creativity – looking for meaning and purpose in life through different approaches.</i></p> <p><i>Resilience – open minded, challenging misconceptions and stereotypes.</i></p> <p><i>Collaboration – participate actively in group discussions, develop active listening skills and working together to find practical solutions for real-life issues.</i></p>

OBHS Curriculum Specification

Specification	Criteria	How will we know?	How is this delivered
Have high success rates	Qualification	Progress data	Quality first teaching
Efficient	Cost effective	Sustainable	Control parameters
Diverse and rich	Breadth and depth	Experiential	Mixed delivery and content. Enriched with learning outside of the classroom
Fit for the 21c	Competencies framework	Habits of Minds, functional and life skills,	Thematic and specialist curricula delivery
Engaging and responsive to individuals	Personalised	Entitlement of access	Pathways and active choice
Prepare students with the skills for their next step	Relevant and reflective of the needs of local community	Progression into education and employment	‘Tapestry curriculum’
