

OLD BUCKENHAM
HIGH SCHOOL

Be the best we can be

5th February 2021

Dear Parents and Carers

Firstly, I would like to thank you for the very positive reaction to the recent straw poll. Over 90% of you responded which was very much appreciated by ourselves as a school. This has really helped us shape the curriculum for Key stage 4 and the options available to your son/daughter.

The Information and Guidance evening will take place on Wednesday 10th February and will run between 5-7 pm. This will give you the opportunity to speak to Curriculum Leaders who are running the subjects which are available. We will be conducting the evening in a very similar way to the Year 9 Progress Evening and you will be familiar with the online booking process, however, there will be an introductory presentation by Mr Fell which will be available to view online. Appointments will run for 5 minutes with a minute gap in between and the booking process will open shortly via

If you require further information the email addresses of the relevant staff are listed below.

On the school website there are a series of videos and PowerPoints which give further details about the courses that we are offering. I would advise that you view these before the evening as they will answer many of the questions that you may have and save time on the evening. The qualification that will be offered in each subject will be finalised after the option preference forms have been collated.
