17th June 2020

Dear Parents and Carers

I hope you and your family are well, a few things have changed locally and nationally. We have opened up the school for Year 10 and are running two schools in one. The response has been very positive and we have very much enjoyed seeing our students again. We are currently looking at ways of bringing more students back, even if it is for a short amount of time before the summer holiday. I have attached a link to a parent survey to gather your view about the provision we are offering and how we can improve as it is always very helpful to receive your feedback. We will be running a whole school Teams assembly at 10am this Friday. All students are welcome to attend via Microsoft Teams.

OBHS Family Support Fund

A parent has very kindly donated a significant amount of money to help support families and young people during the crisis. We are setting up a fund where families can apply for financial support for small amounts of money for anything from a family treat to an item of clothing. If you would like to donate to this fund please contact me at the school.

As you will be aware, the government has extended the free school meals provision to cover the school holidays and I would encourage parents to look at the guidelines to check whether you may be eligible for this grant <https://www.gov.uk/apply-free-school-meals>

I am pleased to say site improvements continue and the windows in the west veranda area are being replaced this week. Finally, I am afraid we do not have anymore details about September opening and we will keep you informed as soon as we have more information.

Yours sincerely,

Mr A Fell
Headteacher
