Achieving excellence together

20<sup>th</sup> June 2016

Dear Parents

After discussion with Staff and Governors, we have decided to make some changes to the structures for supporting our students. As from September, our House Leaders will become Year Heads. The main reason for this move is to ensure consistency of approach to managing behaviour, attendance and progress across a Year Group. The Year Head will remain with their Year Group throughout their time at Old Buckenham High School, allowing for continuity for parents and carers.

The House system remains central to the ethos of our School, providing both community and competition for our students. This important aspect of school life at Old Buckenham High will not change as a result of the new arrangement.

The members of staff assigned to each Year Group will be published prior to the new academic year.

Yours faithfully

Mr A Fell
