

Careers Bulletin – Explore your Future!

Welcome to the weekly careers bulletin for students to help them discover the career pathways available for their future options. The bulletin will provide information about different industry sectors and the jobs available within them, plus details of education and training opportunities.

Burberry Fashion - Online Creative Challenge competition for all age groups: British luxury fashion house Burberry are running an exciting **Online Creative Challenge**. Students will have the chance to win a trip to Burberry's London HQ (Covid permitting) to meet their employees and learn about careers in the fashion industry. Students will develop key skills by working on a creative project and engaging with global issues such as sustainability.

Students submit their creative ideas to a design challenge for their age group sharing their vision of fashion in the future with Burberry. The competition closes on Thursday 24th June 2021. Click on the link if you are interested and speak to your parent/carer if you would like to enter! [Burberry Engage - Connectr](#)

Have a virtual go at being an Electrician! Download the *Amped Up* game to see if you have the skills to solve electrical challenges! [Amped Up - NET \(netservices.org.uk\)](#) To find out more about Electrical careers see [Electrical Careers | Electrical Apprenticeships | Electrical Training](#)

For *Years 10 and 11:*

Cyberfirst Defenders/Futures virtual summer courses: These free online courses from the Smallpeice Trust are aimed at attracting a diverse range of students with a passion for and interest in computing and cyber security. See link for details and dates in August, speak to your parent/carer if you would like to sign up and apply as soon as possible.

Year 10: [Home | Smallpeice Trust](#) Year 11: [Home | Smallpeice Trust](#)

Barclays LifeSkills: The **Barclays LifeSkills Programme** contains lots of information and advice about a range of topics such as making career choices, identifying your skills and strengths, starting work, managing your money and developing your digital skills. Students will need to register to access the resources and there are bite-sized interactive exercises, videos, quizzes and much more.
