

Careers Bulletin – Explore your Future!

Welcome to the weekly careers bulletin for students to help them discover the career pathways available for their future options. The bulletin will provide information about different industry sectors and the jobs available within them, plus details of education and training opportunities.

Careers in Social Care: Would you like a job which makes a difference to people's lives? Take a look at this website to find out about the range of careers available in Social Care: [Think Care Careers \(skillsforcare.org.uk\)](http://skillsforcare.org.uk) and then take the quiz to find out which role would suit you! [Careers in Care - Care and Support Work | A Question of Care](#)

Careers in Tech: Tech careers are all around us and are in most of the industries you can think of. This will be a growing area for jobs in the future, so take a look at [Tech Future Careers \(techskills.org\)](http://techskills.org) and do the quiz to see which roles would match your interests and skills.
