GO 4 Schools Parent App

If your child's school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your child's timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your child's school has subscribed to. View the [Mobile App - Quick Start Guide](#) for further details.

The GO 4 Schools Parent App is free for parents to download from the Apple and Android App stores, but you will not be able to log in unless your child's school has a current GO 4 Schools subscription that includes the App, and they have granted you access. **Your child's school will let you know if and when they have added the App to the school's subscription.**

The App uses the same login details (email address and password) as this web site.

If you can't log in to this site, you will not be able to log in to the App. If you think you should be able to log in to this website but can't, please contact your child's school.

- You will receive an email with a password link, please check your spam/junk or other mailboxes for this.

In order to reset your **password**, please follow the link below:
