Duke of Edinburgh – Year 9 Students

We are holding an information evening on Thursday 10th October for the Year 9 students and their Parents/Carers to find out more about the Duke of Edinburgh Scheme.

School Library

The Library will be open and supervised at 8.30 every morning and at breaktimes for reading and quiet study.

It will also be open at lunchtimes for students (in addition to those attending the clubs) to take out/exchange books, to read, or to work quietly on homework.

Homework

As of this week, we have enabled the Homework Tracking function on Go4Schools. As homework is usually collected in while taking the class register, teachers will use this to record whether a piece of work has been submitted or not. If when the homework is marked, it is found to be incomplete or not complete to an acceptable standard, the teacher will log this using separately on Go4Schools.

Year 11

Having captured Y11 views at the start of the year via form tutor questionnaires, we would like to keep students and parents informed as to how we are responding to ideas raised.

Year 11 - You said... we did.

You Said	We Did
We want to know what's going on in advance so that we can feel prepared.	We will be publishing a calendar to all Y11 students with important dates and deadlines on it by the end of this week (11 th October).
We don't know <i>how</i> to revise and need help with this.	<ol style="list-style-type: none">1. We are running a revision support evening for your parents so that they can support you at home;2. On the 17th October, we will be running a revision afternoon for all Y11 students with revision and well-being tips.3. In all lessons in the week beginning the 14th October, teachers will be building revision activities into their lessons. You will be given a revision guidance booklet and a log to capture the activities you complete.
