Attendance expectations - Guidance from the Department for Education

As you will be aware, school attendance will be mandatory from 8 March 2021 and the usual rules on attendance will apply, including:

- parents' duty to ensure that their child of compulsory school age attends regularly at the school where the child is a registered pupil
- schools' responsibilities to record attendance and follow up absence
- the ability to issue sanctions, including fixed penalty notices, in line with local authorities' codes of conduct

We are very much looking forward to welcoming all students back into school on Monday.
