Children In Need – Non-uniform Day:

BBC
Children
in Need

On Friday 17th November we are having a non-uniform day to raise money for Children in Need.

Students are asked to make a donation of £1 and this will be collected by members of staff at the start of the day.

Although this is a non-uniform day, students are still expected to wear clothing that is appropriate for a school setting.

Year 10 Work Experience 15th – 19th July 2024:

Just a reminder that work experience forms are due back by **Friday January 19th to Main reception**. We are unable to accept any late forms this year.

If students have not submitted their forms by this date, they will be expected to attend normal lessons in school.

Allotment Club:

Allotment Club has now finished until early Spring. Thank you and well done to everyone who has made this year such a success.

Star of the Week:

Year 7	Maisie H 7B and Autumn W 7B – For initiative and ambition in raising funds for Children in Need.
Year 8	Elijah R 8G – For the most positives this week in Year 8.
Year 9	Louisa C 9B – For the most positives this week in Year 9.
Year 10	Amelie B 10G – For an outstanding effort in Food.
Year 11	Freya B 11G – For representing the school in the NSEA National Championship and achieving fantastic results. Well done!

Design & Technology requires Timber:

If you have any natural or manufactured timber the Design & Technology Department are looking for donations.

We like our students to be able to work with a wide variety of materials, and with timber costs at a high, it is not always easy to source.

If you happen to have any timber that is surplus to requirements, then please do get in touch, we would be very grateful. l.bentley@obhs.org.uk.

Date for the Diary - Parent Forum:

On Monday 4th December, we will be holding a Parent Forum Group. This will take place between 5.00pm and 6.00pm in the school library.

The focus for this meeting will be ‘community’ and will be an opportunity to discuss how we can broaden our links within the local community.

The meeting is open to all current parents who would like to attend.

Work Type: Full Time (37 hours) – Permanent
Salary: £38,007 - £43,098 per annum
Department: Joint Protective Services
Location: Bury St. Edmunds, Suffolk

Activities and Responsibilities of the Post

Norfolk and Suffolk Constabularies Joint Forensic Services Department provide a vital supporting role to operational police work which directly impacts on crime reduction and detection.

As Senior Crime Scene Investigator you will have responsibility for line and professional management and development of Crime Scenes Investigators and Trainee Crime Scene Investigators, to deliver high quality, customer-focused crime scene services.

You will act in the role of Crime Scene Manager and ensure that appropriate forensic support is provided to major and serious crime investigation. You will also provide professional advice to Senior Investigating Officers and other customers of Forensic Services and actively lead work towards ISO 17020 accreditation. We are looking for applicants who can offer the following attributes

- Be professionally competent in all aspects of crime scene examination, able to examine crime scenes as required and document and report findings in accordance with departmental policy
- Manage the Area Crime Scene office, prioritising casework on a day-to-day basis; maintain minimum staffing levels to ensure consistent quality of service; ensure equipment standard for staff is appropriate and reliable
- Line manage a team of Crime Scene Examiners, using performance indicators to identify areas for improvement and good working practice to continually improve the service provided. Use problem solving techniques to assist this
- Manage overtime, expenses claims and other necessary administrative requirements in a timely fashion and in accordance with force policy if applicable
- Provide support and instruction as a mentor to new and existing members of staff
- Act as point of contact for local and Area police managers to agree forensic strategies for crime series or local police crime initiatives
- Act as a coordinator for volume crime series, including cross-border crimes
- Provide intelligence advice regarding forensic successes whether fingerprint, DNA or footwear and how these can be used to maximise detections throughout the Area and Force
- Perform the duties of Crime Scene Manager, wherever required, at major crimes to ensure all valuable forensic evidence is recorded, preserved and recovered in a suitable fashion for subsequent analysis and possible presentation in Court
- Prepare statements and other documentation that may be used at Court
- Act as a quality controller and authorise items being forwarded to forensic providers for analysis; assess the viability and validity of the submission
- Research current and new technologies and techniques to ensure best use of Forensic Service's resources, both effectively and efficiently
- Attend training courses as necessary to maintain and improve professional competence
- Attend meetings of internal and external bodies to explain the policies and workings of the Department
- Give presentations to internal and external audiences as required
- Manage and support compliance with the relevant ISO quality standards and the Forensic Science Regulator's Codes of Practice and Conduct
- Any other duties commensurate with the role and grade as may reasonably be requested by line management
