British Science Week

The 14th of March marks the beginning of British science week at OBHS. To celebrate this year's theme of 'Growth' we will be looking after 10 fertilised chicken eggs to hatch in our new school incubator. Our eggs will hatch into fluffy chicks which we will be able to watch and grow over two weeks.

You will be able to see the chicks during break and lunch time from Mrs Prince's window on the Junior Playground, and many of you will take part in chick themed lessons over the two-week period.

In keeping with our chick themed event, we are running a competition. We would like you to write a poem, a short story, or a piece of original art with the title 'Growth is'. All entries must be handed into Mrs Clark by Monday 28th March with the winners announced on Friday 1st April.

Student Librarians:

This is an opportunity for students in year 8, 9 and 10 to become student librarians. The role involves 1 lunch time a week supporting in the library. Full training is provided. Please email cooper@obhs.co.uk or see Miss Cooper to express an interest.

Support for Ukraine

Thank you for all the donations we have received so far. The non-uniform day raised a fantastic £540.00

Red Nose Day – Friday 18th March

Bake Sale / Face Painting in the Main School Hall at lunchtime and Non-school shoe day 50p.

Resources request for the Art Department:

The Art Department would be very grateful for any spare bubble wrap, wadding or foam peanuts from Amazon deliveries or similar. If you are able to help, please could students take these items to the Art Department or the School Office. Thank you.
