Year 11 Guided Study Session Timetables:

We have put together a programme of guided study sessions to support Year 11 in their independent revision. On the days and times timetabled, there will be a subject specialist available in the room identified. Students should attend the guided study session with a clear focus from their Personal Learning Checklist or mark-scheme from any recent assessment.

These sessions are not lessons: the teacher will be able to offer subject specific advice and resources to ensure that students have the resources and are confident and prepared to undertake their independent revision throughout the session. The responsibility lies with students to take ownership of their own revision, and use the resources and expertise available to you.

All students have a Revision Loyalty Card which they need to get signed by the teacher at every session they attend. These can be traded in at Student Reception and are the equivalent of 5 Habits card, or they can be used to discount Prom tickets or Leavers' Hoodies – each card is worth £2.

All Year 11 students have been issued with a Guided Study Session Timetable booklet. The timetable of sessions is detailed below. An electronic copy of the booklet can be accessed here:
