EVERY DAY COUNTS

We would like to remind all parents and carers of the importance of good attendance and punctuality at school. Evidence shows a clear link between attendance and attainment and we are asking for your continued support and commitment to help ensure your child gets the most out of their education and improve attendance. Below is a useful illustration to show how missing just a few days can affect your child's attendance.

Please contact the schools Pastoral Managers to discuss any issues you may have regarding your child's attendance as soon as they arise – support is available.
