## **BBC**

The BBC have opened up a webpage for young people to upload any videos/music/stories/speeches etc straight to the BBC to potentially appear on TV/radio. The link they need to use is [bbc.co.uk/upload](http://bbc.co.uk/upload) where they can choose their location (Norfolk) before uploading whatever they would like.

## **Young Carers Awareness Day**

Every day across the UK hundreds of thousands of young people help to look after someone in their family who is ill, disabled or misuses drugs or alcohol. Young Carers Awareness Day is an annual event, led by Carers Trust. It raises awareness of the challenges faced by young carers and campaigns for greater support for them.

To mark this event, as a school we are now working towards gaining the 'Young Carer Friendly Tick Award' and will be developing support for Young Carers within our school to help them reach their potential.

This will include raising awareness, having a named Young Carers Champion, and providing information and support. Further details to follow.

## **Friends of Old Buckenham High School**

The Friends of Old Buckenham High School will be holding their AGM on Mon 3rd Feb at 6.15 pm in the school library - all welcome.

If anyone is interested in joining the committee or even coming along to find out a bit more about what we do or can offer their support in anyway, we would love to see/hear from you. Various departments within the school have accessed our funds again this year and we would like to continue to support the school with our fundraising, however without members of the Friends this won't happen. We will be losing some of our fantastic team over the next year as their children leave OBHS and we would be really pleased to have some new faces on board to continue our good work!
