

17th May 2018

Dear Parent/Carer

We are writing to inform you about the Year 11 Geography GCSE field trip to Southwold on Friday 13th July 2018.

The Geography GCSE specification requires students to have fieldwork opportunities for Physical and Human Geography and this trip will fulfil this requirement. The trip will also provide students with information that they can use for the UK Challenges exam paper.

The trip will take place during the school day and students will leave Old Buckenham at 9.10 a.m. and they will return to school for 3.10 p.m.

Students will be working in Southwold High Street and also on Southwold Beach. They will be working outside and should be in full school uniform. Trainers or casual shoes can be brought separately and worn for the beach surveys in the afternoon and, depending on weather conditions, coats, jackets, hats and sunscreen might be needed. Students will be able to safely leave any possessions on the coach during the day. Students not in correct uniform will not be allowed to go on the trip.

Students will be working in supervised groups interviewing members of the public and carrying out surveys. They will have a short break while in Southwold and can either bring their own food or make use of the facilities available locally.

We will be travelling by coach and we would be grateful for a contribution towards travel costs.

Please do not hesitate to contact me if you have any queries about the trip.

Yours faithfully

Mr C Sarmezey
Curriculum Leader Geography

.....
Rely slip:

I do/do not give permission for my child to go on the Geography Field Trip to Southwold on 13th July 2018.

I do/do not enclose a contribution of £7 towards travel costs.
