

Spring 1 Art homework task sheet – year 10

Task 1: Create a series of high quality continuous line drawings (where you don't allow your pen to leave the page) in biro and/or fineliner. Fill an A3 double page spread.

Task 2: Using an image from your sketchbook, enlarge it using only outlines to fill an A3 page. Split the image into sections and fill each section using a different technique and media.

Task 3: Taken a series of photographs from unusual angles of subjects related to your theme. These could be from directly above the object/s, looking inside the object/s, looking up towards the object/s. Manipulate these images using a

variety of different styles using: *picture tools/artistic effects* or *colour effects* – you could use a black and white colour theme, sepia tones or watercolour sponge. Print off your images and create a series of sketches using your images as a resource.

Task 4: Using some of your previous sketches in your book, take sections from each and combine them to create a brand new composition. Fill an A3 page and use colour.
