

Art homework task sheet – Spring 1 year 7

Task 1: Create a collage of a piece of fruit/bowl of fruit. Think about different materials you could use for your collage and the colours you might use (coloured paper, pictures from magazines. You could also use a colour theme for your image, such as complementary or harmonious colours.

Task 2: Create a stained-glass window with a landscape design. Use either a warm (reds, yellows, oranges, greens) or a cool (blue, purple, green) colour scheme.

Task 3: Take a series of photographs using a theme (e.g. natural world, vehicles, around the home etc.) using the colours wheel. Copy and paste them onto a document to create a photographic colour wheel. You could just include primary and secondary colours, or add tertiary colours!

Task 4: Paint or draw the view from your window. Colour it in using a chosen colour scheme (complementary, harmonious, warm, cool) or use all the colours of the rainbow!
