Achieving excellence together

Dear Parents/Carers,

The school has been in discussion with Coach Services who run the school bus from Thetford and Great Hockham. A new contract will be in place from September which will require some changes in billing arrangements for parents. As from September, the bus company require parents to pay for transport on a termly basis to be paid at the start of term. The cost of the transport is likely to be similar to the current charge, however, if there are restrictions still in place regarding social distancing the cost may have to increase.

I have attached a short survey and it is very important that all parents who wish to use this facility complete the survey by Wednesday 1st July 2020
