Violence Against Staff Notice

Violence and Abuse in our School

We are committed to providing a safe environment and to setting a good example by being professional and courteous.

Visitors are welcome at this school. If you have any concerns we will always listen and seek to address them.

Mobile phones must not be used on the school site by visitors without the permission of the Headteacher.

Please be aware, however, that abusive, threatening or violent behaviour will not be tolerated, including via social media.

Visitors behaving in this way are likely to be removed from the school and legal action will be taken.

Headteachers are fully supported by the Director of Children's Services in preventing violence and abuse towards staff.
