

## Art homework task sheet – year 8

**Task 1:** Using *horizon lines* and *vanishing points*, draw at least three shapes using both one-point perspective and two-point perspective.

**Task 2:** Create your own image in perspective using the image as a guide. Remember to draw a faint *horizon line*, *orthogonal lines* and a *vanishing point* to ensure accuracy.

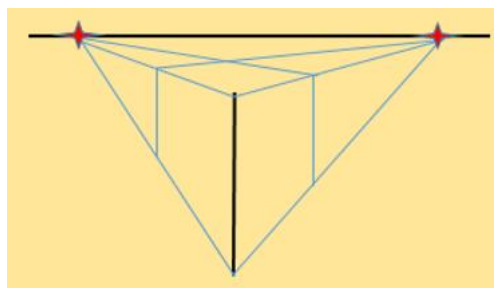

You may include buildings, trees, smaller plants, and a road/railway track/canal.

**Task 3:** Using perspective rules, draw a view from a window. Add colour to enhance your image.

**Task 4:** Using the diagrams opposite, use two-point perspective to design your own building.
