

YEAR 8 DRAMA KNOWLEDGE MAP – AUTUMN 2

1. Vocal Skills – use of pitch (high or low), pace (fast or slow), volume (loud or quiet), projection (can we hear what you are saying), intonation (rise and fall of your voice)

2. Formal and informal language – informal is more casual, speaking with friends/family. Formal language uses richer words to make the sentences sound more interesting

3. Role play – playing a different character to yourself

5. Persuasive language – using your word to make someone agree with your point/believe what you are saying

4. Characterisation – the way you create a character, movement, voice, age
