

Year 10 Homework Spring Term 1: Recycled Project

Task	+	++	+++
1 07/01/2019 Designer Research	Research into the following designers: Vivienne Westwood, Alexander McQueen and William Morris. Create a separate A4 sheet for each one detailing: <ul style="list-style-type: none"> • A fact file about them • What their signature style is • Images or drawings of types of clothing/accessories they have made • A summary of what you think of their work 	Research into the following designers: Vivienne Westwood, Alexander McQueen and William Morris. Create a separate A4 sheet for each one detailing: <ul style="list-style-type: none"> • A fact file about them • What their signature style is • Images or drawings of types of clothing/accessories they have made • A summary of what you think of their work You could also create a mood board for each of these designers to really capture their style and the types of clothing/accessories they have made.	Research into the following designers: Vivienne Westwood, Alexander McQueen and William Morris. Create a separate A4 sheet for each one detailing: <ul style="list-style-type: none"> • A fact file about them • What their signature style is • Images or drawings of types of clothing/accessories they have made • A summary of what you think of their work You could also create a mood board for each of these designers to really capture their style and the types of clothing/accessories they have made. Carry out a product analysis on a piece of clothing designed by one of the designers, think about how it looks, the colours that are used, what it's made from and inspired by and anything else you think is important.
2 21/01/2019 Collecting Fabric	Collect fabric for garment that we are going to make in school. Remember the theme is recycled so the fabric should be something like a bed sheet a table cloth etc. these may be found at home or in local charity shops. The fabric should be cotton or similar to cotton and should preferably be white or cream.	Collect fabric for garment that we are going to make in school.
