

OBHS Curriculum Content Map 2020-21

Y9	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
English	Two Centuries of Poetry The impact of writer's choices, context and intentions (Reading)	Gothic Writing Writer's Voice, Structure and coherence (Writing)	Of Mice and Men Impact of choices, Structure and coherence (Writing)	The Tempest Context and intentions, Using evidence (Reading)	Witchcraft through the ages Context and intentions, Using evidence (Reading)	Rhetoric The impact of writer's choices, structure and coherence (Writing)
Maths	Algebra Solving equations, algebraic manipulation and substitution.	Number Percentages. Fraction arithmetic	Mixed Probability, Simultaneous equations	Sequences and Graphs Patterns and generalising. Graphical representation.	Statistics Data collection and representation. Data types. Sampling and averages.	Pythagoras Pythagoras in 2D and 3D. Trigonometry as extension.
Science	First rotation. Students rotate to subject specialist teachers. Physics Mr Armstrong, Biology – Mr Helsdon, Chemistry – Mr Alderson			Second rotation		
	B1 – Cell structure and transport B2 – Cell division	C1 – Atomic structure C2 – The periodic table	P1 – Conservation and dissipation of energy P2 – Energy transfer by heating	B3 – Organisation of the digestive system B4 – Organising animals and plants	C3 – Structure and bonding C4 – Chemical calculations	P3 – Energy resources P4 – Electrical circuits P5 – Electricity in the home
Geography	Critical Geography and changing landscapes: Conflict in war zones, transport infrastructure, crime, house building	Critical Geography and skills: Conflict, Wild world Tectonics, hurricanes, tornadoes	Wildworld: Tectonics, hurricanes, tornadoes	The wider world: Africa Ecosystems, landscapes, population, development	People and the planet: Ecosystems	Investigation in Geography: Cold Environments-Iceland investigation
History	Slavery to Civil Rights in the USA.	Slavery to Civil Rights in the USA. Causes of World War One.	World War One.	Female Suffrage in Britain. Twentieth Century Dictatorships.	The Holocaust.	Causes of World War Two. World War Two.
MFL French	GCSE Unit 1: Me , my family and friends	GCSE Unit 1: Me, my family and friends	GCSE Unit 2: Technology in everyday life	GCSE Unit 2: Technology in every day life	GCSE Unit 3: Free time activities	GCSE Unit 3: Free time activities
MFL German	GCSE Unit 1: Me , my family and friends	GCSE Unit 1: Me, my family and friends	GCSE Unit 2: Technology in everyday life	GCSE Unit 2: Technology in every day life	GCSE Unit 3: Free time activities	GCSE Unit 3: Free time activities
Design & Technology	Students study a choice of two of the following subjects: Product Design (including Textiles) Food or Creative Media.					
	Food: Cuisines from a range of different cultures. Food Science including dextrinization and gelatinisation. Development of cooking skills making more complex dishes. This course builds up to GCSE standard over the course of half a year.		Product Design: 3D drawing using perspective, orthographic and isometric. Designing for a client, research, developing a design and modelling. Casting and CAD/CAM – development of CAD skills and the use of the laser cutter alongside making a light by soldering and electronics circuit. Theory of core materials and electronics.		Creative Media: Developing a design and marketing material for a street food company. Theory of paper and boards, typography and model making. Use of photoshop to develop and print a T shirt using CAD/CAM	

Music	Band skills, performing as a whole class. Forming bands to create cover versions	Cover versions and Christmas music	Music in the Media, performing and composing music for TV and games.	Hooks and Riffs, performing and composing	Band skills revisited, students create bands and do versions of favourite songs	Band skills revisited, students create bands and do versions of favourite songs, performances and recordings
Drama	physical comedy	physical theatre	Fame and Reality, creating characters	Warden X, creating character from a stimulus	Missing Dan Nolan, script work	Devising, creating performances based on different stimulus
Art	Skateboard Project	Skateboard Project	Self Portrait	Self Portrait	<u>Three lesson workshops:</u> Klee: Castle on the Hill Pop Art: Lichtenstein Cubism: Picasso and music	<u>Three lesson workshops:</u> Klee: Once Emerged from the Grey of the Night Abstract: Jasper Johns Pop Art: Warhol
P.E	Max performance - athletics	Invasion games	Net games and invasion games	Max performance - fitness	Striking and fielding and net games	Invasion games
	Rules and tactics used within the activities covered. Knowledge of the bones and joints in arms and legs. Knowledge of fitness components linking to training methods and sports.					
P.D	RE: End of life, different beliefs around life after death.	RE: Good and Evil, how Christians explain the problem of evil with a benevolent God.	CIT Money and Finance	PSHE Mental Health and Well-Being	PSHE SRE	RE Rites of Passage
IT	Thematic program of study – website design.		Microsoft Academy updating
