## Year 11 Spring Term

Dear Year 11 Families,

Thank you for your support with Year 11 so far this year. We are very proud of the hard work our students are putting in and hope that they are pleased with their mock results. We are writing to inform and remind you of the extra opportunities that are available for Year 11 students in the Spring Term.

### Additional English and Maths Lessons

We are continuing to run our additional lessons in English and Maths afterschool (English on Tuesdays, Maths on Thursdays 3.15-4.15pm). These are focussed on consolidating Grade 4s and achieving Grade 5s. Students who fall within this group have been specifically invited in a separate letter; however these sessions are open to all students to attend should they wish. Please complete the form here [Y11 Additional Maths and English Lessons – Fill out form](#) or the reply slip at the end of this letter by Friday 9<sup>th</sup> January. It is essential that we know who to expect at each session. This ensures your child's safety and gives you peace of mind about their whereabouts.

### Revision Clubs

### Easter Holiday Revision Days

Between the 6<sup>th</sup> and 10<sup>th</sup> April, the second week of our Easter break, we will be running revision mornings for many subjects.

### February Mock Exams

The February mock exams run from Monday 23<sup>rd</sup> to Friday 27<sup>th</sup> February. Students will receive their timetables for these in January.

### Revision over the Christmas Break

We know students won't be studying every day over Christmas (nor should they be!) but just 60 minutes on the quieter days focusing on knowledge gaps that they have identified from their mocks, or working through the Core Questions (see the Curriculum section of our website) for their subjects, can make a real difference when they return in January feeling confident and prepared.

We have been given free access to 'Positively You' over the festive season which supports with study skills, exam preparation, resilience, and wellbeing. This can be accessed here: [Positively You Resources Hub » Login Page](#) using the Username: Festivestudy and the Password: December 2025.

Thank you for your support in helping us provide the best possible outcomes for your child. If you have any questions about this, please don't hesitate to contact us.

Kind regards,

Laura Boggis  
Assistant Head

Edward Taylor  
Head of Key Stage 4
